WEDDINGS AT THE HALL

WEDDINGS

The Hall at Marthall is a contemporary venue set in the beautiful Cheshire countryside and licensed for civil wedding ceremonies. Conveniently located just outside Knutsford, the hall is a well known local landmark and being only 5 miles from the M6, is easy to reach for visitors from further afield too.

The hall itself can accommodate up to 120 people and the large lawn is ideal for a marquee if you need additional space.

Dining at the hall

Whether you are looking for a full service meal or a buffet, we can recommend local caterers who will work with you to create your perfect reception.

The spacious kitchen is fully equipped, including an oven, large gas hob, water heater, pans and utensils.

The large windows open onto the lawn, bringing daylight and the countryside right into the hall. Located amongst farms, it is very peaceful and undisturbed by anything other than the occasional passing tractor!

A perfect afternoon

The Hall set out for an evening reception

You'll have plenty of time to prepare. For a wedding, the hall is available from 3pm on Friday until midday on Sunday, allowing you to set up and decorate the hall ready for the big day.

We are able to recommend local suppliers of decorations, sashes, chair covers, tablecloths and anything else you may need for your reception.

Despite the large number of bookings we take, we pride ourselves on ensuring the hall is always in perfect condition for your big day.

Our fully stocked bar can be opened for a small staffing charge to meet your needs up to 11:30pm. We sell beers, wines and spirits at very competitive prices and have never run out of stock (although it has been close!)

A happy crowd enjoying their evening, presumably with the bar open!
